Electric

With only 10815 miles on the clock, this 2022 Vauxhall Mokka Electric is a fantastic find. As an all-electric vehicle in the Ultimate trim, this Mokka boasts a 50 kWh battery, offering a manufacturer-quoted range of up to 209 miles when new. The Ultimate variant comes packed with features to enhance your driving experience, including automatic lighting control with tunnel detection, ensuring optimal visibility at all times. The 10in Multimedia Navi Pro system keeps you connected with live navigation, Android Auto, Apple CarPlay, and Bluetooth. Safety is paramount, with a front camera system that includes parking assistance and side blind spot alert to help you navigate with confidence. Heated front seats add a touch of luxury, making every journey comfortable. Charging this Mokka Electric is convenient, with a full charge achievable in 7 hours 30 minutes using a 7kW home charger. For those needing a quicker boost, public charging can take the battery from empty to 80% in just 30 minutes. The comprehensive suite of technology and comfort features included with this Mokka Electric Ultimate, such as heated seats and advanced navigation, set it apart from other vehicles in its class.
