With only one owner and very low mileage for its 2024 registration, this Renault Clio E-TECH techno presents a compelling opportunity. Featuring a 1.6L Petrol Hybrid engine and a techno trim, this Euro 6 emission class vehicle includes parking sensors at both the front and rear, making city driving a breeze. The convenience of hands-free keycard with push button start-stop function, including keyless entry, adds a touch of modern sophistication. Enjoy seamless smartphone integration with Apple CarPlay and Android Auto, while the electrochromatic rear view mirror, combined with rain and light sensors, ensures optimal visibility in all conditions. This Clio stands out with its impressive fuel economy of 66 mpg, meaning lower running costs compared to similar vehicles. Benefit from low CO2 emissions, contributing to reduced environmental impact and potentially lower road tax. Furthermore, this model falls into a low insurance group, offering more affordable premiums. Experience responsive performance with acceleration from 0-62mph in just 9.3 seconds, making it a practical and efficient choice for everyday driving.
