With only 31,066 miles on the clock, this 2017 Mercedes-Benz E220d AMG Line has been lightly used. As a Euro 6 emissions class vehicle, this E-Class is powered by a 2.0L diesel engine and comes in the sporty AMG Line trim. The car benefits from several features, including a reversing camera with parking assistance, the Audio 20 USB system with Bluetooth connectivity, and heated front seats for added comfort. The THERMATIC two-zone automatic climate control ensures a pleasant environment inside, while the LED high-performance headlamps with integrated LED daytime running lights provide excellent visibility. This vehicle has had only two owners from new. The Mercedes-Benz E-Class boasts a particularly large boot space, making it more practical than similar vehicles. It also achieves around 66 mpg, offering excellent fuel economy. Furthermore, its low CO2 emissions mean it's kinder to the environment. The car can accelerate from 0-62mph in just 7.3 seconds, demonstrating its responsive performance.
