With only one previous owner and low mileage of just 19646 miles for a 2022 registered vehicle, this Kia Niro 2 is a fantastic find. As an electric car, this Niro combines practicality with modern technology. The trim 2 includes Adaptive Smart Cruise Control with Stop and Go Functionality, perfect for effortless motorway driving, and Android Auto with Voice Control, ensuring seamless smartphone integration. The convenience continues with the Engine Start-Stop Button with Smart Entry System and Rear Parking Sensors, making every journey easier. You'll also appreciate the comfort of Single Automatic Air Conditioning. The Kia Niro boasts a battery with a total capacity of 68 kWh, offering a maximum range of 282 miles when new. This impressive range means fewer stops and more open road. Charging is convenient, with a full charge at home taking approximately 9 hours 35 minutes using a 7kW charger. For those needing a quicker boost, public charging can take the battery from empty to 80% in just 54 minutes. This combination of range and charging speed makes this Kia Niro a practical and efficient choice for any driver.
