This is a 2019 Volkswagen Golf SV TDI GT, a versatile car with a GT trim. It features a 2.0L diesel engine and boasts very low mileage of just 20,570 miles, having had only one previous owner. The vehicle is equipped with several features designed for comfort and convenience, including manual air conditioning and a convenience pack that includes automatic headlights. Parking is made easier with front and rear parking sensors, and the Composition Media System, complete with Bluetooth connectivity, ensures you stay connected on the move. The automatic driving lights, activated by a dusk sensor, add an extra layer of ease to your driving experience. This Golf SV stands out for its large boot space, offering practicality for families and those needing extra room. Its low CO2 emissions mean it's kinder to the environment and potentially cheaper to run than similar vehicles. Furthermore, with an acceleration of 0-60mph in just 8.9 seconds, it provides a responsive and engaging driving experience. This vehicle also meets Euro 6 emission standards.
