With only one previous owner, this 2022 Citroen C5 Aircross is a great example of the popular and practical family vehicle. As a Shine trim variant, this C5 Aircross is powered by an economical 1.5L diesel engine and meets the Euro 6 emission standards. The Shine trim includes a host of features designed to enhance your driving experience, such as keyless entry and start for added convenience, and automatic headlights that activate with welcome and goodbye lighting. The Drive Assist Pack provides extra safety with blind spot assistance and adaptive cruise control, making long journeys more relaxing. Enjoy optimal comfort with automatic dual-zone climate control and enhanced visibility with LED headlights. This C5 Aircross stands out with its particularly frugal fuel consumption, achieving up to 61 mpg, meaning fewer trips to the petrol station. The low CO2 emissions mean that you will likely pay less in road tax than you would for other similar vehicles. The large boot space makes it ideal for family trips, shopping, or any activity that requires plenty of storage.
