With only one previous owner, this 2022 Kia EV6 Air represents a fantastic opportunity to own a modern electric vehicle. As an EV6 Air, this electric vehicle boasts a 77 kWh battery, offering a blend of performance and efficiency. The Air trim adds a touch of sophistication to the driving experience. The Kia EV6 offers a large boot space, making it more practical than similar vehicles. The car can accelerate from 0-62mph in 7.3 seconds, making it faster than other similar vehicles. The battery provides a maximum range of 328 miles when new, which is greater than other similar vehicles. Charging at home using a 7kW charger takes approximately 12 hours and 30 minutes, while the fastest public charging time to 80% is just 20 minutes. Enjoy features such as Bluetooth with Voice Recognition, dual automatic air conditioning, a reversing camera system with dynamic guidelines, a heated steering wheel, and Android Auto with voice control.
