

2019 USED 35.8kWh e-Golf Auto 5dr

color:		Mileage:	43530
Transmission:	Automatic	Price:	£9,058.00
Registration:	LS69WBU	Fuel:	Electric

The 2019 Volkswagen e-Golf combines practicality with the benefits of electric driving. As an e-Golf in e-Golf trim, this vehicle offers a smooth and quiet ride, powered by its electric motor. Equipped with a 36 kWh battery, it promises a range of up to 144 miles on a full charge when new. Charging is convenient and flexible, taking approximately 5 hours and 20 minutes using a 7kW home charger. For those needing a quicker top-up, public charging can bring the battery from empty to 80% in as little as 40 minutes. The vehicle also comes with several features designed to enhance comfort and safety, including Adaptive Cruise Control, front and rear parking sensors, and LED headlights that automatically switch on when needed. The inclusion of a generous boot space makes it more practical than other similar vehicles in its class.

MPG Average	
Engine Size	I
