This is a 2021 Volkswagen Passat TSI EVO SE Nav, a car with a 1.5L petrol engine and only one previous owner. The SE Nav trim includes several features designed to enhance your driving experience. Automatic driving lights are enabled via a dusk sensor, and you'll stay comfortable with manual air conditioning. Parking sensors at the front and rear make maneuvering easier, while the all-LED headlights provide excellent visibility. Adaptive cruise control adds convenience to longer journeys. With a fuel economy of 45 mpg, this Passat is more economical than similar vehicles. The large boot space also makes it more practical than other cars in its class, offering ample room for luggage, shopping, or anything else you need to transport.
