ML72AVX

Fuel:

Petrol Hybrid

With only one previous owner, this 2022 Renault Arkana E-TECH r.s. line is a stylish and efficient choice. The r.s. line trim complements the vehicle's sleek design, while the 1.6L Petrol Hybrid engine ensures a balance of performance and economy. This Arkana meets Euro 6 emission standards. Equipped with a Winter Pack, including heated seats and a heated steering wheel, you'll stay cosy on chilly mornings. The convenience of handsfree keycard access and start adds a touch of modern ease to your daily routine. Full LED headlights provide excellent visibility, and the automatic climate control system, complete with humidity and air quality sensors, ensures a comfortable cabin environment. This Arkana stands out with its impressive fuel economy of 59 mpg, meaning fewer trips to the petrol station and more money in your pocket. Benefit from low CO2 emissions, making it a more environmentally conscious choice compared to similar vehicles. Plus, the large boot space offers practicality for all your storage needs. The low insurance group is another advantage, ensuring affordable premiums.
