**Electric**

With only one previous owner, this 2022 BMW iX3 M Sport Pro is a superb example of a well-maintained vehicle. As an all-electric vehicle, the iX3 offers a smooth and quiet driving experience, and this particular M Sport Pro trim adds a touch of sporty sophistication. The vehicle is equipped with several features designed to enhance convenience and safety, including a Reversing Assist Camera and Parking Assistant, making parking in tight spots a breeze. The Driving Assistant Professional, complete with Adaptive Cruise Control, ensures a relaxed and confident driving experience on longer journeys. The iX3 boasts a large boot space, making it more practical than other similar vehicles. The 80 kWh battery provides a maximum range of 282 miles when new, so you can embark on longer trips with confidence. Charging is convenient, with a full charge at home taking approximately 11 hours and 20 minutes using a 7kW charger. For those needing a quicker top-up, public charging can take the battery from empty to 80% in just 32 minutes. The Panoramic Glass Sunroof adds an airy, open feel to the cabin, while the Harman Kardon Loudspeaker System delivers exceptional audio quality for an immersive entertainment experience.
