Featuring a 1.4L Petrol Plug-in Hybrid engine and meeting Euro 6 emission standards, this A3 seamlessly blends performance with environmental consciousness. The Sport trim adds a touch of sporty sophistication to this already appealing hatchback. The inclusion of LED headlights with LED daytime-running lights, coupled with halogen lights in the rear, ensures enhanced visibility and a modern aesthetic. Manoeuvring is made easy with the rear-view camera and parking assistance. Stay connected on the go with the Audi smartphone interface, including Apple CarPlay, and enjoy the convenience of automatic headlights and windscreen wipers thanks to the light and rain sensor. The Bluetooth interface allows for seamless connectivity. These features combine to make this vehicle a cut above the rest.
