With only 23829 miles on the clock, this 2020 Volkswagen Golf is a superb example with very low mileage for its age. As a Golf TSI Life, this model comes with a 1.5L petrol engine and meets Euro 6 emission standards. The Life trim adds a touch of sophistication and practicality to this popular hatchback. Equipped with an array of features, this Golf enhances your driving experience. Automatic headlight activation, complete with separate LED daytime running lights and a manual coming home/automatic leaving function, ensures optimal visibility at all times. The adaptive cruise control, with a speed limiter and front assist, makes long journeys more relaxing. The Discover Navigation System, including Bluetooth connectivity, keeps you connected and on course, while the mobile phone interface with wireless inductive charging offers convenient charging on the go. Furthermore, the 1 Zone air conditioning maintains a comfortable cabin environment. The nippy 1.5L petrol engine allows acceleration from 0-62mph in just 8.5 seconds, which means it is quicker than similar vehicles.
