With only one previous owner, this 2022 Renault Arkana E-TECH S Edition is a smart choice. This stylish vehicle is equipped with a 1.6L Petrol Hybrid engine and meets Euro 6 emission standards. The S Edition trim includes a host of features designed to enhance your driving experience, such as a rear-view camera with parking assistance, smartphone integration with Apple CarPlay and Android Auto, adaptive cruise control with speed limiter, blind spot warning, and automatic climate control with humidity and air quality sensors. This Arkana stands out with its impressive fuel economy of 59 mpg, meaning fewer trips to the petrol station. It also falls into a low insurance group, offering potential savings on your premiums. The vehicle boasts a large boot space, providing ample room for luggage, shopping, or anything else you need to transport. Furthermore, its low CO2 emissions mean you can drive with a clear conscience, knowing you're doing your bit for the environment.
