color:

Mileage:

47735

Transmission:

Automatic

Price:

£23,558.00

Registration:

MW22ZYE

Fuel:

Electric

With only one previous owner, this 2022 Tesla Model Y Long Range is an excellent choice for those seeking a premium electric SUV. Boasting a four-wheel drive system and an 85 kWh battery, this vehicle offers a seamless driving experience. The Long Range trim comes equipped with keyless driving and entry, heated steering wheel, dual zone climate control, and automatic headlights. Safety is enhanced with blind spot monitoring. The Model Y's rapid acceleration, reaching 0-60mph in just 4.8 seconds, demonstrates its superior performance compared to similar vehicles. The impressive new battery range of 331 miles means fewer stops on long journeys. Charging is convenient, taking just 12 hours at home with a 7kW charger, or as little as 25 minutes to reach 80% at the fastest public charging points. The large boot space makes it more practical than other vehicles in its class, offering ample room for luggage and cargo.
