This 2023 Renault Captur E-TECH techno is a stylish hybrid, perfect for city driving and beyond. The 1.6L petrol hybrid engine offers a smooth and efficient driving experience. The techno trim adds a touch of sophistication to this popular model. With its impressive fuel economy of 59 mpg, this Captur stands out as an economical choice. Further enhancing its appeal are its low CO2 emissions, making it an environmentally conscious option. The low insurance group is another benefit, ensuring affordable running costs. The inclusion of smartphone integration with Apple CarPlay and Android Auto, front and rear parking sensors, automatic headlights, a rear-view camera, Bluetooth, DAB radio, and USB ports, makes this Captur a well-equipped and connected vehicle.
