

2022 USED Dual Motor 78kWh Long Range Fastback Auto 4WDE 5dr

color:		Mileage:	49933
Transmission:	Automatic	Price:	£23,058.00
Registration:	OE71GZT	Fuel:	Electric

With only one previous owner, this 2022 Polestar 2 Long Range offers a compelling blend of performance and practicality. As an electric vehicle with four-wheel drive and a Long Range trim, it comes equipped with a 78 kWh battery. The Pilot Pack enhances safety with Blind Spot Assistance, Adaptive Cruise Control, LED Headlights, and a 360 Degree Camera for Parking Assistance. The Plus Pack adds a touch of luxury with a fixed Panoramic Sunroof, a Premium Branded Sound System, heated seats with memory function, a heated steering wheel, and Wireless Phone Charging. Heated front seats are also included, and the Infotainment System is powered by Android, with Android Auto compatibility. The Polestar 2's large boot space makes it more practical than similar vehicles, offering ample room for luggage and cargo. The battery provides a maximum range of 301 miles when new, exceeding the range of comparable models. Charging at home using a 7kW charger takes approximately 12 hours, while public fast charging can replenish the battery from empty to 80% in just 40 minutes. The impressive acceleration, achieving 0-60mph in 4.5 seconds, sets it apart from other vehicles in its class, delivering a thrilling driving experience.

MPG Average	
Engine Size	1
Max Power(BHP)	402
