With only one previous owner and very low mileage of just 6066 miles for a 2022 registration, this Polestar 2 Long Range offers a unique opportunity. This electric, four-wheel drive vehicle boasts a Long Range trim and is packed with features to enhance your driving experience. Enjoy the comfort of heated front seats, and seamless connectivity with the Infotainment System Powered by Android, Android Auto, Apple CarPlay, and Bluetooth. The semi-electric front seats, complete with driver's seat memory, add an extra touch of luxury to every journey. This Polestar 2 stands out with its large boot space, offering practicality without compromising on style or performance. The impressive 78 kWh battery delivers a maximum range of 301 miles when new, perfect for longer journeys. Charging is convenient, with a full charge at home taking around 12 hours using a 7kW charger. For those needing a quicker boost, public charging can take the battery from empty to 80% in just 40 minutes. Furthermore, this vehicle can accelerate from 0-60mph in just 4.5 seconds, demonstrating its impressive performance capabilities.
