OE72VKA

Fuel:

Electric

This is a 2022 Polestar 2 Long Range, an electric car with four-wheel drive. It comes in the Long Range trim and has had only one owner, with very low mileage of 10696 miles. It's equipped with the Plus Pack, which includes a fixed panoramic sunroof, a premium branded sound system, heated seats with memory function, a heated steering wheel, and wireless phone charging. Enjoy seamless connectivity with Apple CarPlay and Bluetooth. The car also features adaptive LED headlights and semi-electric front seats with driver's seat memory. The Polestar 2 boasts a large boot space, making it ideal for those needing extra room. The car can accelerate from 0-60mph in just 4.5 seconds, demonstrating its impressive performance capabilities. When fully charged, the 78 kWh battery provides a maximum range of 301 miles. Charging at home using a 7kW charger takes approximately 12 hours, while public charging from empty to 80% can be achieved in as little as 40 minutes.
