With only 17086 miles on the clock, this 2022 Polestar 2 Long Range offers an appealing opportunity. As an electric vehicle, this Polestar 2 Long Range boasts a 78 kWh battery. The vehicle is equipped with an infotainment system powered by Android, which includes Android Auto. You'll also find adaptive LED headlights, heated front seats, semi-electric front seats with driver's seat memory, and keyless entry with handsfree boot lid opening. The Polestar 2 Long Range stands out with its impressive range of 341 miles when new, meaning fewer stops on long journeys compared to similar electric vehicles. The car also features a large boot space, offering practicality that surpasses many alternatives in its class. Furthermore, acceleration from 0-60mph in 7.0 seconds demonstrates its performance capabilities, setting it apart from other vehicles. Charging at home using a 7kW charger takes around 12 hours, while rapid public charging can boost the battery from empty to 80% in just 40 minutes.
