color:

Mileage:

38105

Transmission:

Automatic

Price:

£21,299.00

Registration:

OV23VVD

Fuel:

Electric

The 2023 Polestar 2 Long Range is an electric car with only one previous owner. It comes equipped with the Pilot Lite Pack, which includes Blind Spot Assistance, Adaptive Cruise Control, and a 360-degree camera for parking assistance. Enjoy seamless smartphone integration with Apple CarPlay and Android Auto, alongside Bluetooth connectivity for hands-free calls and audio streaming. The convenience of keyless entry, coupled with a hands-free boot lid opening, adds to the ease of use. With a battery capacity of 78 kWh, this Long Range model boasts a maximum range of 341 miles when new, meaning you can embark on longer journeys with confidence. Charging at home using a 7kW charger takes approximately 12 hours for a full charge. For quicker top-ups, public charging can take as little as 40 minutes to reach 80% from empty. Acceleration from 0-60mph happens in just 7.0 seconds, demonstrating its responsive performance. The vehicle also benefits from a large boot space, making it more practical than similar vehicles.
