The Land Rover Defender 110 i6 SE, registered in 2020, is a capable car with a 3.0L petrol engine and a four-wheel drive system. The SE trim includes Two-Zone Climate Control, ensuring a comfortable environment for both driver and passengers, and Electric Windows in the front and rear. The Connected Navigation Pro system helps you stay on course, while the Premium LED Headlights with Signature DRL provide excellent visibility. For added safety, Blind Spot Assist monitors your surroundings. This vehicle conforms to Euro 6 emission standards. With its large boot space, this Defender 110 offers ample room for luggage, shopping, or outdoor gear, making it more practical than similar vehicles. The impressive acceleration, reaching 0-60mph in just 6.1 seconds, demonstrates its superior performance compared to other cars in its class. Capable of towing up to 3500 kg, it is well-suited for those needing to haul trailers or caravans.
