

2023 USED Dual Motor 78kWh Long Range Performance Fastback Auto 4WDE 5dr

color:		Mileage:	27667
Transmission:	Automatic	Price:	£28,058.00
Registration:	OY23UZM	Fuel:	Electric

With only one previous owner, this 2023 Polestar 2 Long Range Performance offers a compelling blend of luxury and technology. As an electric four-wheel drive vehicle, it boasts a host of features designed to enhance your driving experience, including Apple CarPlay, 2-Zone Climate Control, and a Rear View Camera to make parking a breeze. The Semi-Electric Front Seats come with a driver's seat memory function, ensuring optimal comfort every time you get behind the wheel. The integrated infotainment system, powered by Android, keeps you connected and entertained on the go. This Polestar 2 stands out with its rapid acceleration, reaching 0-60mph in just 4.5 seconds, demonstrating its superior performance capabilities. The large boot space makes it more practical than similar vehicles, easily accommodating luggage and shopping. With a total battery capacity of 78 kWh, it provides a maximum range of 301 miles when new, allowing for longer journeys with fewer stops. Charging is convenient, taking just 12 hours at home with a 7kW charger, or as little as 40 minutes at a rapid public charging point to reach 80% capacity.
