Petrol Plug-in Hybrid

With only one previous owner, this 2022 CUPRA Formentor eHybrid V2 is a great example of a modern plug-in hybrid. Featuring a 1.4L Petrol Plug-in Hybrid engine and meeting Euro 6 emission standards, this Formentor combines performance with efficiency. The V2 trim adds a touch of luxury and convenience, with features like Kessy keyless entry and start, making every journey a breeze. The inclusion of three-zone climate control, with a rear control panel, ensures everyone stays comfortable, while the heated steering wheel adds warmth on colder days. Manoeuvring is made easy with the rear-view camera and park assist, including front and rear sensors. These features combine to make this vehicle a cut above the rest, offering a blend of comfort, convenience, and technology that enhances the driving experience.
