This is a BMW 2 Series M240i, registered in 2017. As a car with a 3.0L petrol engine and a very low mileage of 34870 miles, this vehicle offers a blend of performance and relative youth. It comes equipped with several features designed to enhance comfort, convenience, and safety. The Xenon Headlight Package ensures excellent visibility, complemented by a rain sensor for automatic headlight activation. Enhanced Bluetooth telephone preparation with USB audio interface and voice control adds a touch of modern connectivity, while PDC (Park Distance Control) with rear sensors simplifies parking. The automatic air conditioning with two-zone control ensures a comfortable cabin environment for both driver and passengers. This particular model stands out with its Euro 6 emission class, indicating a focus on reduced environmental impact. The fuel economy is a selling point, achieving around 40 mpg, which is better than similar vehicles in its class. Furthermore, the acceleration from 0-62mph in just 4.6 seconds demonstrates its impressive performance capabilities, making it quicker than many comparable cars.
