Automatic

Price:

£12,558.00

Registration:

RF70ZGS

Fuel:

Electric

This Honda E, registered in 2020, offers a modern driving experience. As an Advance variant with the Advance trim, this electric vehicle combines practicality with innovative features. Equipped with a rear-view camera, including parking assistance, navigating tight spots becomes effortless. The convenience of smart entry and start, including keyless entry, adds a touch of sophistication to your daily routine. LED headlights provide enhanced visibility, while climate control air conditioning ensures a comfortable environment inside the car. Safety is paramount, with blind spot information and cross-traffic monitoring systems in place. The Honda E has a battery with a total capacity of 36 kWh, offering a maximum range of 131 miles when new. Charging is convenient, with a full charge at home taking approximately 4 hours and 6 minutes using a 7kW charger. For those needing a quicker boost, public charging can take the battery from empty to 80% in just 33 minutes. These charging capabilities mean that the vehicle is more convenient than other similar vehicles.
