Diesel

This Ford Kuga ST-Line, registered in 2020, offers a blend of style and practicality. As a ST-Line variant, it boasts sporty aesthetics and a comfortable driving experience. The vehicle is equipped with a 1.5L diesel engine, adhering to Euro 6 emission standards. Inside, you'll find a range of features designed for convenience and entertainment. Enjoy the ease of wireless charging, including wireless phone charging, and immerse yourself in the Bang and Olufsen premium audio system. The Ford SYNC3 navigation system, complete with Android Auto, Apple CarPlay, and Bluetooth connectivity, keeps you connected on the go. Climate control is assured via the DEATC dual-zone electronic automatic temperature control. The Ford Key Free system provides keyless entry and start. With a fuel economy of 52 mpg, this Kuga stands out for its efficiency, saving you money on fuel costs compared to similar vehicles. Furthermore, its low insurance group and low CO2 emissions suggest that it is more affordable to insure and kinder to the environment than other cars in its class.
