With only one previous owner, this 2020 Volkswagen Passat 1.6L TDI SE Nav is a great choice. The SE Nav trim comes with a Euro 6 compliant 1.6L diesel engine. The vehicle is equipped with dusk sensors that automatically activate the driving lights, including the headlights. The headlights themselves are all-LED with reflector technology. For comfort, there is manual air conditioning. Adaptive cruise control makes long journeys easier, and front and rear parking sensors assist with maneuvering. This Passat stands out with its large boot, offering ample space. It also falls into a low insurance group, potentially saving you money. Furthermore, its low CO2 emissions mean it's kinder to the environment.
