The 2020 Nissan Leaf N-Connecta offers a modern driving experience. As an electric vehicle, it provides a smooth and quiet ride, free from emissions. The N-Connecta trim comes with a host of features designed to enhance comfort and convenience. Automatic air conditioning, including climate control, ensures a pleasant environment inside the car. The Tech Pack adds parking assistance with a 360-degree camera and front and rear sensors, making parking a breeze. Intelligent Cruise Control, including adaptive cruise control, helps maintain a safe distance from other vehicles on the road. The intelligent auto headlights with follow-me-home functionality and auto hazard lights provide added safety and convenience. Android Auto and Apple CarPlay integration allows seamless smartphone connectivity. With a 40 kWh battery, the Leaf offers a maximum range of 168 miles when new. Charging at home using a 7kW charger takes approximately 7 hours 30 minutes, while the fastest public charging time from empty to 80% is just 1 hour 20 minutes. The Leaf also stands out with its large boot space, making it more practical than other similar vehicles in its class.
