Experience the future of driving with this 2021 Mazda MX-30 GT Sport Tech, an all-electric marvel that combines style with sustainable motoring. This sleek vehicle proudly wears the Mazda badge, offering a refined driving experience synonymous with the brand. The GT Sport Tech trim adds a touch of sporty sophistication to this electric vehicle. With a 36 kWh battery, this MX-30 offers a maximum range of 124 miles when new, making it ideal for city commutes and short journeys. Charging is convenient and flexible, taking just 5 hours using a 7kW home charger. For those needing a quicker top-up, public charging from empty to 80% can be achieved in as little as 48 minutes. The integrated Bluetooth, Apple CarPlay, and Android Auto ensure seamless smartphone connectivity, while the BOSE Surround Sound System transforms every drive into a concert-like experience. Automatic headlights provide enhanced visibility, and the colour active driving display with traffic sign recognition keeps you informed and focused on the road ahead. These features combine to create a driving experience that is both connected and safe.
