Electric

The 2022 Audi Q4 e-tron Sport is an all-electric car that combines practicality with modern technology. This particular model comes in the Sport trim and has had only one previous owner. It's equipped with several features designed to enhance your driving experience, including the Audi Smartphone Interface, which supports both Android Auto and Apple CarPlay, making it easy to stay connected on the go. Parking is made simpler with rear parking sensors and parking assistance, while heated front seats provide added comfort during colder months. The inclusion of a Bluetooth interface ensures seamless connectivity, and comfort auxiliary air conditioning keeps the cabin at the perfect temperature. One of the standout features of this vehicle is its impressive new battery range of 321 miles, meaning fewer stops on long journeys compared to similar vehicles. Charging is convenient, with a full charge achievable in 11 hours 30 minutes using a 7kW home charger. For those needing a quicker boost, public charging can take the battery from empty to 80% in just 30 minutes. In addition to its performance capabilities, this Q4 e-tron boasts a large boot space, making it an ideal choice for families and anyone needing extra room for luggage or equipment.
