The 2017 SEAT Ateca is a great choice for those seeking a practical and economical vehicle. This particular model is the S trim, equipped with a 1.0L petrol engine and benefits from air conditioning, including climate control. With a fuel economy of 54 mpg, this Ateca excels in efficiency, meaning fewer trips to the petrol station compared to similar vehicles. The car also falls into a low insurance group, which can lead to significant savings on your annual premiums. In addition, the Ateca boasts a large boot space, offering ample room for luggage, shopping, or anything else you need to transport. Finally, its low CO2 emissions mean that it is kinder to the environment.
