This is a 2019 Hyundai NEXO Fuel Cell Premium SE, a car with a 0.0L Hydrogen engine and Euro 6 emission class. Having had only one owner and driven very low mileage of 9769 miles, this Premium SE trim offers a blend of efficiency and technology. It comes equipped with full LED headlights, front and rear parking sensors to make parking easier, and a wireless phone charging pad for added convenience. Stay connected on the move with Android Auto and Bluetooth connectivity with voice recognition. The NEXO stands out with its advanced features and well-maintained condition. The low mileage suggests limited use, while the single owner indicates that it has been cared for. The inclusion of modern tech, such as wireless phone charging and smartphone integration, enhances the driving experience, setting it apart from other vehicles of its type.
