With only one previous owner and very low mileage for its 2022 registration, this Nissan Qashqai DIG-T Tekna presents a compelling option. The vehicle is powered by a 1.3L Petrol Hybrid engine and complies with Euro 6 emission standards. The Tekna trim includes a host of features designed to enhance your driving experience, such as Android Auto and Apple CarPlay for seamless smartphone integration, and a dusk sensor that automatically activates the headlights. Enjoy natural light with the glass roof and roof rails, which include a panoramic sunroof. The LED headlights with adaptive driving beam provide enhanced visibility, while the automatic dual-zone climate control ensures a comfortable cabin environment for all occupants. This particular Qashqai stands out with its large boot space, offering practicality and convenience that surpasses similar vehicles. Furthermore, the low insurance group can lead to significant savings, making it an economical choice for drivers.
