With only one previous owner and very low mileage of just 19672 miles for a 2021 registration car, this Ford Fiesta ST-Line Edition is a great find. As part of the ST-Line Edition trim, this Fiesta is equipped with a 1.0L petrol engine and conforms to Euro 6 emission standards. The car includes LED projector headlights with daytime running lights, enhancing visibility and style. Ford's navigation system, complete with Ford SYNC 3, Apple CarPlay, Android Auto, and FordPass Connect, ensures you stay connected on the move. Manoeuvring is made easier with rear parking distance sensors, and the NCAP pack includes automatic headlights for added safety. The car also features manual air conditioning for your comfort. This Fiesta stands out with its impressive fuel economy of 54 mpg, meaning fewer trips to the petrol station. The low CO2 emissions are another advantage, making it an environmentally conscious choice. Acceleration from 0-62mph in 10.6 seconds provides a responsive and engaging driving experience.
