With only one previous owner, this 2022 BMW 1 Series 118i M Sport is a superb example of a well-cared-for vehicle. The M Sport trim adds a touch of sporty sophistication to this practical hatchback, while the 1.5L petrol engine meets Euro 6 emission standards. Enjoy the convenience of features such as automatic headlight activation thanks to the rain sensor, and maintain your ideal temperature with the automatic two-zone climate control. Parking is made easier with front and rear parking distance control, and longer journeys are a breeze with adaptive cruise control with brake function and speed limiter. The panoramic glass sunroof brings an abundance of natural light into the cabin. The BMW 1 Series boasts a large boot, making it more practical than other vehicles in its class. Acceleration from 0-62mph in just 8.8 seconds means that this vehicle is quicker than similar vehicles. This combination of performance and practicality makes the BMW 1 Series a compelling choice.
