With only one previous owner, this 2023 Renault Megane E-Tech iconic is a superb electric vehicle. The iconic trim complements the Megane E-Tech's design, creating a stylish and efficient ride. Equipped with front and rear park assist, including parking assistance with front and rear sensors, manoeuvring is made simple. The inclusion of a wireless phone charger adds a touch of convenience, while the around-view 3D camera, complete with 360-degree parking assistance, ensures you have a clear perspective of your surroundings. For longer journeys, enjoy the benefits of Level 2 autonomous driving, adaptive cruise control with speed limiter, and lane centring. Wireless smartphone replication and integration via iOS CarPlay, Google, WiFi, and USB enhance connectivity, making every drive enjoyable. The Renault Megane E-Tech boasts a large boot space, making it more practical than similar vehicles. The battery provides a maximum range of 280 miles when new, outperforming many of its competitors. Charging at home using a 7kW charger takes approximately 9 hours and 11 minutes, while rapid public charging can boost the battery from empty to 80% in just 36 minutes. Acceleration from 0-62mph in 7.5 seconds means it is quicker than other comparable vehicles.
