Fuel:

Petrol Plug-in Hybrid

With only one previous owner, this 2021 Audi A3 TFSIe S line is a superb example of a modern plug-in hybrid. The vehicle combines a 1.4L petrol engine with electric power, meeting Euro 6 emission standards. As an S line trim, this A3 boasts a sporty edge, enhanced by features such as LED headlights with LED rear lights and dynamic rear indicators. The inclusion of a light and rain sensor ensures that the headlights automatically switch on when needed, and the Audi smartphone interface, which includes Apple CarPlay, allows for seamless connectivity. Rear parking sensors make parking easier, and the Bluetooth interface provides convenient hands-free communication. These features show how this particular A3 is well-equipped compared to similar vehicles.
