Electric

With only one previous owner, this 2024 BMW i5 40 M Sport is a superb example of a modern electric vehicle. Presented in M Sport trim, this BMW i5 boasts a substantial 84 kWh battery, offering a manufacturer-quoted range of up to 356 miles. The vehicle is equipped with the Technology Package, which includes a Head Up Display and Parking Assistance with a 360-degree camera, front and rear sensors. Further features include stylish 20in Alloy Wheels in M Light Star-Spoke Style 938 M Bicolour Jet Black, heated front seats, Adaptive LED headlights, and Comfort Access with keyless entry. The impressive 356-mile range indicates that this vehicle can travel further than other similar vehicles on a single charge, making it ideal for longer journeys. Charging at home using a 7kW charger takes approximately 12 hours and 30 minutes, while rapid public charging can replenish the battery from empty to 80% in just 34 minutes. In addition to its performance and features, this vehicle also offers a large boot space, meaning it is more practical than other similar vehicles.
