With only one previous owner and low mileage of just 38,813 miles for a 2020 registration, this Volvo XC40 D3 Momentum is a great example of a modern SUV. Equipped with a 2.0L diesel engine and meeting Euro 6 emission standards, this Momentum trim vehicle includes a Bluetooth handsfree system, making calls on the move easy and safe. The 2-zone electronic climate control, complete with a cooled glovebox and rear air vents, ensures a comfortable environment for all passengers. Navigating tight spots is made easier with rear park assist, while automatic LED headlights with active high beam provide excellent visibility, incorporating day running lights and automatic activation. This particular XC40 stands out with its impressive fuel economy of 47 mpg, meaning fewer trips to the petrol station. It also benefits from a low insurance group, potentially saving you money on your premiums. The large boot space adds to the practicality, offering ample room for luggage, shopping, or anything else you need to transport.
