With only one previous owner, this 2020 Volvo XC40 D3 R-Design Pro is a great find. The R-Design Pro trim complements the robust 2.0L diesel engine, which meets Euro 6 emission standards. This XC40 includes Rear Park Assist, making parking a breeze with its rear sensors. You'll also appreciate the heated front seats, especially with the Winter Pack, ensuring comfort during colder months. The 2-Zone Electronic Climate Control, complete with a cooled glovebox and rear air vents, provides a pleasant environment for all passengers. Stay connected on the go with the integrated Bluetooth handsfree system. This Volvo XC40 stands out with its impressive fuel economy of 51 mpg, meaning fewer trips to the petrol station compared to similar vehicles. The large boot space is another key advantage, offering ample room for luggage, shopping, or sports equipment. Furthermore, its low CO2 emissions mean you can drive with a smaller carbon footprint than many other cars in its class.
