Fuel:

Petrol Hybrid

This is a Ford Mondeo ST-Line Edition, registered in 2021 and equipped with a 2.0L Petrol Hybrid engine. Having had only one owner and driven a low mileage of 30253 miles, this car is ready for its next adventure. The ST-Line Edition trim comes with a host of features designed for comfort and convenience, including 10-Way Driver and Passenger Power Seats, with memory function for the driver's seat, and Variable Heated Driver and Passenger Seats. The Winter Pack ensures cosy journeys with heated seats and a heated steering wheel, while Keyless Entry adds a touch of modern convenience. Automatic Headlights with Auto High-Low Beam provide enhanced visibility and safety on the road. This vehicle meets Euro 6 emission standards. The combination of features makes this particular Mondeo stand out. The low mileage and single owner indicate a well-maintained vehicle, offering peace of mind. The inclusion of both heated seats and a heated steering wheel from the Winter Pack provides superior comfort during colder months. The powered seats with memory function offer a customisable and convenient driving experience, setting it apart from standard models.
