color:

Mileage:

42593

Transmission:

Manual

Price:

£12,058.00

Registration:

YP67YZG

Fuel:

Diesel

With only 42,593 miles on the clock, this 2017 SEAT Ateca is a rare find. As a TDI SE Technology model, this Ateca comes with a 1.6L diesel engine and meets Euro 6 emission standards. The SE Technology trim includes desirable features such as dual-zone climate control, ensuring a comfortable environment for both driver and passengers, and full LED headlights for enhanced visibility. Navigating tight spots is made easier with the rear parking sensors. This Ateca stands out with its impressive fuel economy of 63 mpg, meaning fewer trips to the petrol station. It also falls into a low insurance group, offering potential savings on your premiums. The Ateca doesn't compromise on practicality either, boasting a large boot space for all your storage needs. Furthermore, its low CO2 emissions mean you can drive with a smaller environmental footprint.
