With only one previous owner and low mileage of just 20188 miles for a 2022 registration year, this Volvo C40 Ultimate presents a compelling opportunity. As an all-electric, four-wheel drive vehicle, this C40 boasts an array of features designed for comfort and convenience. The driver benefits from a power-adjustable seat with memory function, including settings for the mirrors. Keyless entry and start add a touch of modern convenience, while the Bluetooth handsfree system ensures seamless connectivity. Passengers will appreciate the heated front and rear seats, and the Active Bending Pixel LED headlights with Adaptive Shadow Technology provide enhanced visibility on the road. This Volvo C40 stands out with its impressive capabilities. The large boot space offers practicality for everyday needs and longer trips. The 78 kWh battery delivers a maximum range of 277 miles when new, making it ideal for longer journeys. Charging at home using a 7kW charger takes approximately 12 hours for a full charge. For quicker top-ups, public charging can take the battery from empty to 80% in just 40 minutes. Furthermore, the rapid acceleration, achieving 0-60mph in just 4.5 seconds, sets this vehicle apart from its competitors.
