With only one previous owner, this 2022 Ford Fiesta is a great example of a modern hatchback. As a Fiesta T ST-Line in ST-Line trim, it combines sporty styling with everyday practicality. The car is powered by a responsive 1.0L Petrol Hybrid engine and is Euro 6 compliant, meaning it meets the latest emissions standards. Amongst its features, you'll find manual air conditioning for climate control, LED headlights with daytime running lights and integrated fog lights for enhanced visibility, and automatic headlights for added convenience. Parking is made easier with rear parking distance sensors. The inclusion of SYNC 3 with Navigation, Android Auto, and Apple CarPlay ensures seamless connectivity on the move. The Fiesta accelerates from 0-62mph in 9.6 seconds, which means it's quicker off the mark than many similar vehicles.
