This 2020 Vauxhall Combo Life is a practical and efficient vehicle. As a Turbo Energy variant with the Energy trim, it combines functionality with modern technology. Powered by a 1.2L petrol engine and adhering to Euro 6 emission standards, this Combo Life offers a balance of performance and environmental consciousness. Equipped with a range of features, including a front camera system that enhances parking assistance, automatic lighting control for convenience, and air conditioning for comfort, this vehicle is designed for everyday usability. The front and rear parking distance sensors, complete with audible warnings, further simplify maneuvering. The multimedia touchscreen infotainment system, featuring Android Auto, Apple CarPlay, and Bluetooth connectivity, ensures you stay connected and entertained on the move. Benefit from a surprisingly large boot space, making it more practical than similar vehicles, and with its low insurance group, it's an economical choice for drivers.
