With only 20235 miles on the clock, this 2023 Nissan Primastar offers an exceptional opportunity to acquire a nearly new van. This particular model is the dCi 30 Tekna derivative, equipped with a 2.0L diesel engine and meeting Euro 6 emission standards. The Tekna trim adds a touch of sophistication and practicality to this five-door van. You'll find useful features such as LED headlights for enhanced visibility, front manual air conditioning to keep you comfortable, and front and rear parking sensors to assist with maneuvering. The inclusion of a 7in touchscreen multimedia and navigation system, complete with Android Auto and Apple CarPlay, ensures you stay connected and entertained on the road. The 148 bhp engine is a real plus, giving this van more power than similar vehicles in its class, making it ideal for various tasks. The automatic transmission ensures a smooth and effortless driving experience. The Nissan Primastar combines functionality with modern technology, making it a great choice for those seeking a reliable and well-equipped van.
