Fuel:

Diesel Hybrid

With only 263 miles on the clock and only one previous owner, this 2025 Toyota Hilux D-4D-h Invincible X is practically brand new. As a four-wheel drive, four-door pickup with a 2.8L diesel hybrid engine and automatic transmission, this Euro 6 compliant Hilux D-4D-h Invincible X Auto offers a blend of power and modern technology. The Invincible X trim adds a touch of luxury and convenience, with features such as smart entry and push-button start for easy access, a wireless phone charger to keep you connected on the go, and rear cup holders for passenger comfort. Manoeuvring is made easier with the reversing camera and parking assistance, while the LED dual-beam projector headlights provide enhanced visibility. The Hilux's 201 bhp engine indicates that it has plenty of power for both on and off-road driving. With a towing capacity of 3500 kg, this Hilux is well-equipped for heavy-duty tasks.
