With only 316 miles on the clock and only one previous owner, this 2025 Land Rover Defender 90 D250 X-Dynamic SE is practically brand new. This short wheelbase, three-door SUV is powered by a 3.0L diesel engine and features a four-wheel drive drivetrain. The vehicle meets Euro 6 emission standards. The X-Dynamic SE trim includes keyless entry, 12-way heated electric driver memory seats with 2-way manual headrests, adaptive cruise control, LED headlights with signature DRL, and blind spot assist. This Defender 90 stands out with its low CO2 emissions, making it a more environmentally conscious choice. The 247 bhp engine delivers impressive performance. It also benefits from a low insurance group, potentially saving you money on your premiums. With a towing weight of 3500 kg, this Land Rover Defender 90 is well-equipped for various tasks.
