With only one previous owner, this 2023 Fiat Scudo 1.5 BlueHDi Primo LWB Euro 6 is a smart choice. As a BlueHDi Primo variant with a Primo trim, this Fiat Scudo is powered by a 1.5L diesel engine and meets Euro 6 emission standards. It comes equipped with a 7in touchscreen radio with DAB, Bluetooth, and USB connectivity. Manoeuvring is made easier with the panoramic rear view camera and rear parking sensors. For added comfort, manual air conditioning is included. This particular model stands out with its low CO2 emissions, making it an environmentally conscious option. The array of features, such as the parking assistance system with rear camera and sensors, enhances the driving experience. The vehicle combines practicality with modern technology, ensuring a comfortable and connected journey.
